BMBF leaders visits the SIGN partner Hua Yan Water

High-ranking BMBF delegates were eager to get to know two important Chinese partners of the SIGN-project: the water supplier Hua Yan Water located in Suzhou and the Tongji University. Subsequent to the first Sino-German major water programme conference in Shanghai

- W. Kraus, Head of the BMBF directorate 72 sustainability, climate, energy
- Dr. U. Katenkamp, Head of the BMBF division 724 resources and sustainability
- Dr. C. Alecke from the BMBF division 724 resources and sustainability
- N. Umlauf, Head of BMBF-project office clean water in Shanghai
- Dr. R. Furrer from the BMBF project management agency

took the opportunity for in-depth discussion of the progresses of the SIGN project especially concerning the pilot plant operation together with the Chinese partners as well as representatives from the German partners [TZW](#), [inge GmbH](#), [F.A.S.T. GmbH](#) and [BBE Moldaenke](#).

德国联邦教研部领导访问SIGN项目合作伙伴苏州清源华衍水务公司

德国联邦教育研究部高层代表

- 可持续发展、气候和能源72分处处长 Kraus
- 资源与可持续发展724处处长 Katenkamp博士
- 资源与可持续发展724处 Alecke博士
- 德国教研部清洁水创新研究项目上海项目办公室主任邬可丽
- 德国教研部项目审核单位 Furrer博士

有幸结识了SIGN项目的两家中方伙伴单位-苏州清源华衍水务公司和同济大学。在上海出席了首届中德“重大水专项”合作研讨会后，教研部代表们特意留出充足时间集中参观了SIGN项目的试点设备并与中德双方项目单位代表讨论了项目进展情况，德方由德国燃气与水工业协会-水处理工艺中心（[TZW](#)）、[inge](#)有限责任公司（[inge GmbH](#)）、[F.A.S.T](#)有限责任公司（[F.A.S.T. GmbH](#)）、和[BBE Moldaenke](#) 有限责任公司代表参会。
